P5 Vocabulary Cloze – CA2 – Nan Hua

Sometimes, our pets can be accidental heroes. Pam, a dog from a rural community north of Bangkok, spends most of his time (16) rummaging around the piles of rubbish for tasty scraps. However, when he (17) came across a newborn baby inside a white plastic bag in a rubbish tip, he gently picked it up in his jaws and (18) gingerly carried it home to his owner, Thongmak. Pam barked loudly to raise attention until Thongmak's 12-year-old niece came to see what the (19) racket was about. She and her mother (20) scurried immediately to a nearby hospital with the tiny baby. The 2.2 kg baby girl was believed to have been born prematurely, at about seven months and needed immediate care.

P5 Vocabulary Cloze – CA2 – Rosyth

An elderly lady did her grocery shopping and upon returning to her car, she found four males trying to (16) steal her vehicle. She dropped her shopping bags and screamed at the top of her lungs, "I have a gun and I know how to use it! Get out of the car!" The four men did not wait for a second (17) warning. They got out and ran frantically. The lady was so (18) flustered that she quickly loaded her shopping bags into the back of the car and got into the driver's seat. She tried (19) over and over again to get her key into the ignition, however, she could not. It was then that she realised why. It was for the same reason that she was (20) puzzled as to why there was a football, hockey sticks and jerseys in the car. A few minutes later, she found her own car parked four or five spaces further down. In the meantime, the four males had reported a car hijacking by an elderly woman.

P5 Vocabulary Cloze – CA2 – Red Swastika

Can you imagine having (16) indeterminate time to learn? If you could freeze a moving car and study it for hours? (17) Wander around a museum touching every artifact, the security guards never knowing you were there?

That is how Dor explored the world. Using the power of the hourglass, he slowed time to (18) suit his needs. Although he could never stop it (19) completely, he could easily hold people in place while he circulated through them. These people would (20) recall nothing of his presence, only the quickest flicker across their field of vision.
