What's more? You will definitely enjoy two nights complimentary stay at the hotel if you are the champion."

GIRAFFE CONSERVATION FOUNDATION FUND

For 3 weeks this November, giraffes from West Africa will be making a special appearance at The Singapore Zoo.

These animals are on the brink of extinction.

They live on land that is shared by many villages.

Farmers living in these villages have been clearing their land for crop cultivation. This has forced the giraffes to move to other areas to find food, making them targets for poachers.

Make your contribution to the conservation fund by purchasing tickets to see these special guests.
